

Direct Contracting with **ActiveHealth ACO REACH**

The future of health care is within reach

Are you interested in:

- **Powerful analytics** to allow you to focus on the right patient at the right time
- Spending **more time** on direct patient care
- **Educating patients**, their families and caregivers about their health options
- **Reducing administrative work** coordinating and managing care
- **Building connections** to community-based support services
- Optimizing and **enhancing your revenue**
- Creating room for **new patients**

If so, let's talk about an opportunity through ActiveHealth.

We have:

**MORE THAN
20 YEARS
OF EXPERIENCE**

providing evidence-based population health solutions built and managed by clinicians

**MORE THAN
20 MILLION
MEMBERS**

with health care solutions in place

- A commitment to clinical rigor and personalized care planning using **research-based methods**
- **Extensive clinical resources and practice analytics** to support adherence to physician treatment plans
- Experienced **administrative resources** to support practice transformation
- The financial stability that comes with being **part of the CVS Health® family** of companies

You can reach us at DCquestions@ActiveHealth.com

Services are provided by ActiveHealth Management, Inc. Our programs, care team and care managers do not provide diagnostic or direct treatment services. We assist you in getting the care you need, and our program is not a substitute for the medical treatment and/or instructions provided by your health care providers. While only your doctor can diagnose, prescribe or give medical advice, care management nurses can provide information on a variety of health topics.
