

# Enhance your **solutions**

## Why ActiveHealth?

Founded by doctors, promoting evidence-based care is core to what we do. Our programs have proven health outcomes and can also help lower health care costs.

**25 years**  
of experience

**20+ years**  
of NCQA and URAC  
accreditation

**32+ million**  
members active today

## You're good at what you do. Let us help make you even better.

You strive to deliver excellent health care solutions, but you may want to expand what you have available to your customers. If that's the case, look to ActiveHealth for innovative, scalable solutions that advance your analytics, health and well-being programs that leads to better informed and more engaged employees.

### Together we can:

- Promote whole person health with evidence-based, multi-channel coaching programs
- Meet acute needs and help people get the right care, at the right time, in the right setting
- Use sophisticated technology in innovative ways to find and close gaps in care

**Mix and match programs from ActiveHealth to provide the robust benefits that you and your clients want.** You can tailor our branded programs or integrate them into yours to create a seamless experience for your members.

## Enhance your offering with ActiveHealth.
